Happy New Year!

Continue working on making final adjustments to your projects.

Final preparations are underway for the 73rd Annual Kleberg-Kenedy County Junior Livestock Show.

Please note the schedule of events in the newsletter.

Good luck to each of our 4-H families at the County Show!

Americans with Disability Act of 1990:

Individuals with disabilities who require an auxiliary aid, service, or accommodation in order to participate in any 4-H event are encouraged to contact the County Extension Office (361.595.8566) at least two weeks in advance of the program to see how reasonable accommodations can be made.

School Eligibility:

Kleberg-Kenedy County AgriLife Extension Service complies with the law set forth by legislature regarding eligibility and school absences. Members competing or simply participating in a 4-H event (judging events, presentations, livestock shows, etc.) must be certified as eligible to participate by their respective school. School Officials will be provided with a list of students entered in competitive/non-competitive 4-H events. Should a student be ineligible according to their school, 4-H members will be notified in writing of their ineligibility statuses by our office.

4-H Council Meetings for the year:

Dates:

September 18th

November 6th

January 8th

March 4th

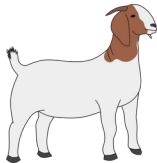

May 6th

- All meetings will be held at 6:30 p.m. at the County Extension office.
- Club managers make your council delegates aware of the council meetings during your regular monthly club meetings.

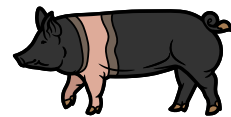

18 USC 707

Rio Grande Valley Livestock Show:

If interested in entering the Rio Grande Livestock Show with a breeding animal, please submit entries to your club manager or bring by the Extension Office no later than January 5, 2024.

No entries will be accepted after January 5th.

Entry forms can be retrieved at: <https://www.rgvls.com/>

Please submit entry form and payment by the deadline. **NOTE:** Provide copy of registration papers for all breeding animals if required by the breeding division.

Clipping and Shearing demonstration clinic:

**When: January 20th
Time: 10 a.m. - 12 p.m.
Where: Kingsville FFA Farm**

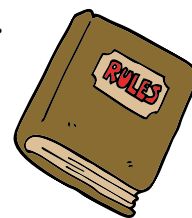

Bring your animals and get a one-on-one on how to clip/shear your livestock!

KKJLS Rulebooks:

If you would like a hardcopy, please come by the Extension Office to pick one up.

Please note several changes as you prepare for the upcoming show.

Rulebook will also be available on: kkjls.com

Livestock Project Scales:

There are several sets of scales located throughout the community for 4-H members to use to weigh their lamb, goat, and swine projects. Rabbit Scales and Clippers are also available at the Extension Office.

- 1 set at the County Extension Office**
- 1 set in Sarita for Kenedy County 4-H'ers**
- 1 set at Drew and Christina Titus Residence (387 West County Road 2140 in Ricardo)**

AgStart Loan Program at Capital Farm Credit

Is your family interested in participating in youth livestock projects, but rising input costs have prevented you from taking the next step? Capital Farm Credit offers a loan program that may be your solution. The AgStart Loan program provides youth interested in agriculture projects with the tools and resources they need to prepare for a successful career in the agricultural industry. This loan program is available to 4-H and FFA members involved junior market, breeding and commercial livestock projects.

The funds can be used to purchase and care for a junior livestock project or for a general purpose youth agricultural loan and must be repaid following the sale of the animal(s). The AgStart Loan Program is designed to offer educational and financial awareness to youth while supporting the next generation of farmers and ranchers.

For more information, visit [AgStart Loan Program | Capital Farm Credit](#) or contact Kendall Huey at Kendall.Huey@CapitalFarmCredit.com.

Key Factors to a successful poultry project

- * Keep clean, dry, and stirred litter (Champion broilers usually come from individuals that stir their litter 5-8 times/day)
- * Never restrict ventilation. Birds need fresh air.
- * Proper temperature is critical. Thermometer should be placed at the level of your birds.
- * Keep constant supply of clean feed and water—day and night. Birds should have easy access to feed and water. Avoid competition between birds.
- * Never bath your birds. Wipe down with a dry, soft cloth (optional).

¹ Electrolytes may be administered for 4-5 days (optional). Never use for more than 10 days.

² Antibiotics/medication should only be administered, if broilers are sick (sneezing/wheezing). Don't Abuse.

³ Cull: small birds, birds with broken wings, twisted/crooked feet, sick birds. Culled birds should be placed in a separate feeding area.
